PRESIDENT'S MESSAGE

Those of you who missed the egg drop fun fly in October not only missed a good time but you also missed one of our last flying days at the Club field for this year. Last time I checked there was about 3" of snow covering everything. Personally my hands get too cold to fly much in the winter so I stay sequestered in my garage and start my building projects.

I hope everyone had as much fun as I did this year. Our club is lucky to have so many great members. It is so much easier being president when so many are willing to help. With that said, remember November is Club election. Here are your nominees for 2010 UTE Club Officers:

President:	Tom Winter
Vice-President:	Brian Sorenson
Secretary:	Mike Passey
Treasurer:	Aaron Loertscher
Newsletter:	Aaron Greer
Fun Fly Coordinator:	Wade Joos
Safety Coordinator:	Doug Dorton
