Presidents Message: Hope everyone had a great holiday season.

The Christmas party was a great success with 79 members turning out to enjoy some good company and of course good food. Congratulations to the lucky members that ended the night's festivities with one of the many door prizes. Again, I would like to say thanks to the Hobby shops (Some Dudes & West Valley hobbies) that donate prizes for the party.

The (freeze fly) was a big success, really a great turn out for such a blustery day. Evan's coffee and hot chocolate were a lifesaver and the Chile hit the spot. Thanks to Laura, Mike, Steve and Evan and all of those who participated in this years event. What a great start to a new year!

Congratulations to John Klugiewicz who won the Sprectrum DX7 and Brian Sorensen who took home the PBY.

We can't start a New Year without saying thanks to last years Officers, Jerry Shelledy, Mike Passey, Jon Bertrand, Mike Ellsworth, Rob Weston and Doug Dorton. Great Job Guys.

Keep yanking and banking....

Don't forget that next week (JAN 8th @ the Heritage Center 6150 So. 10 W.) is Club meeting night.

TKX TOM

Stormy Mitsui hasn't been doing very well lately. If you get a chance give him a call at 801-467-0370.

Doug Dorton has a code that will get you 5% off the state park pass when purchased online.

Hello everybody I am the new newsletter editor, as of yet still trying to figure all of this out so I am going to apologize beforehand for being so unprepared on this newsletter, things will improve as I learn the system, thank you all for your patience.

Alan

We had a very good turnout at the freeze fly despite the weather thanks for coming out. Here are just a few pictures as there are just too many to post
 Page 2 info – fun fly – photo

Knife edge

I wonder what frequency he's on

very nice spitfire profile

Nice looking cub

good lineup of helis and planes

Wade with some spectators

Got Smoke? Need Smoke?

**Contact MDW Aviation Associates Utah Distributor:
Scott Davis (801) 824-6909 scott_airplanes@msn.com**

5 Gallon Pale or 55 Gallon Drum Super * Dri Brand Aviation Smoke Oil. A superior, professional smoke fluid which provides intense smoke and high persistence. Exceeds competitor's burn time, crystal clear, non-volatile, and easy to handle. May use electric pump for filling on-board tank. Will not attack foam.
