Presidents Message

Well here it is, almost March. It won't be long before we can hit the field. Watch the UTE web site next month for work party announcement.

Some lucky club members went south last weekend for the ST. George fly-in. From the pictures that Jan Hyde sent, it looked like the weather was great and everyone had a good time (well most everyone)! You know the old saying a picture is worth a thousand words.

OUCH! Get the rest of the story at the club meeting!

AJ and Ken have put together our fun fly schedule for this year. So plan ahead!

Apr. 18th egg drop (club field)

May 23rd Float Fly (Lincoln beach)
June 13th E-Fly (Jordan Model Port)
July 10th Night Fly (club field)
July 11th Carrier spot landing & open house (club field)
Aug 15TH & 16TH warbirds/expo (Jordan Model Port)
Sept. 12 Float Fly (Lincoln beach)

Please Note that these date do not conform to our regular scheduling practice, in that they do not all fall on the first Saturday following our club meetings.
